New Business:

Review of SAC agreement

- All members read the SAC agreement and there were no questions

Review SAC handbook

- Reviewed the SAC handbook and the roles and responsibilities of the SAC

Determine chair/co-chairs

- Discussion of roles. People interested in being a chair/ co-chair will reach out to administration by early next week

Determine Meeting Dates

- Six meetings need to be held throughout the year
- Meetings will be held at 6pm
- Months meetings will be held are October, November, December, February, April, May
- Meetings will be held on Wednesdays, except when there is a school event on a Thursday the meeting may move to Thursday nights
- Sean will send out the dates for the meetings

Wolf-Pack Days

- Last year was the first year for the Wolf-Pack days

- It was held in December last year, but some feedback received was that it may have been too busy in December. A suggestion was to have the wolf-pack days in the spring when things can be done outdoors
- It is a combined event with the elementary school
- This is an event that both schools are hoping to grow and repeat year after year
- Wolf-Pack days will be a standing event on the agenda as the planning takes place throughout the year
- There is a combined event happening with the elementary school at the end of the month

Principal's Report

- Sean MacDonald reviewed the report
- Question asked regarding the canteen at the school dances and where the funds go. One of the next dances the grade 12 students will be able to run the canteen to raise money to offset the cost of graduation.
- Question regarding the lunch program. Feedback is that it is greatly improved from last year. Portions are bigger and the quality of the food is better. The containers are also biodegradable this year. There is much less waste this year.
- Lunches are labelled with students' names. There are extra meals ordered that are available for students.

New and Notable

- Martial Arts is being offered this year as a phys-ed credit

SSP Goals

- Goals were reviewed
- Discussed different ways that teachers are assessing students rather than just through tests (conversation and observation)
- Well-being goal is focusing on student safety. Right now teachers are focusing on the first 10 minutes of class and the routines and relationship building that is happening during that time

Feedback from Students

- Students shared that they have not heard any complaints and that their peers seem happy at school
- It was noted that there still seems to be a lot of students hanging out in the bathrooms. Admin will communicate this to hall monitors
