Hello West Bedford High Families,

What a great cultural fair we had last week, so many countries represented. So great to see students having so much fun and learning about each other. The students and staff involved put in a lot of work to make this happen and it was a wonderful experience for all!!

Also like to give a shout out to our grade 9 band students picking up a silver medal at the Atlantic Music Festival last week. Great work and go wolves!!

Happy Mother's day!!

Please see information and important dates below for the upcoming weeks.

1. **Student Council event: Field Day.** On May 27, during the first three periods, there will be a field day where students will be out on the field for games, activities, and sun. This will be the same spirit day where every grade wears their colours (see below) to show their school/grade spirit. If you participate in wearing your colour you get a freezie.
 - First period: grades 7 and 8
 - Second period: grade 9
 - Third period: grades 10 and 11
 - Grade 7 wears blue, 8 pink, 9 green, 10 black, 11 white

Spirit day will be a competition for which grade has the most spirit this can be proven by dressing in your colour and participating in as much as you can. The winning grade gets an ice cream party

2. **Provincial Assessment Grade 8- Reading, Writing, Math.** During the last week of May, our grade 8 students will participate in a provincial assessment of literacy and math skills. This will happen during morning class time between May 26- 29. Students do not need to prepare for this assessment outside of the school day. Teachers have been teaching with this assessment in mind all year and will engage in more direct conversation and practice throughout May.
3. **May 15 is Black Excellence Day.** What is Black Excellence Day? In essence Black Excellence Day is about acknowledging, celebrating, and uplifting Black contributions while fostering a more inclusive and equitable environment. The following are ways you celebrate the fourth annual Black Excellence Day:

Celebrating achievements: Black Excellence Day provides an opportunity to celebrate the achievements, contributions, and successes of Black individuals within

the community. It highlights the talent and accomplishments within the Black community, ensuring that Black students have an opportunity to highlight all their positive contributions within the education system.

Promoting equity and inclusion: Recognizing Black Excellence fosters a culture of equity and inclusion within schools. It sends a message that all students, regardless of their background, have the potential to excel and make valuable contributions to society. By celebrating diversity and promoting inclusivity, schools create a more welcoming and supportive environment for all students.

Education and awareness: Black Excellence Day serves as an educational opportunity to raise awareness about the rich history, culture, and achievements of Black people. It provides a platform to share stories of resilience, innovation, and leadership, helping to combat stereotypes and promote understanding and appreciation of Black heritage.

Empowerment and inspiration: By celebrating Black Excellence, students are inspired and empowered to pursue their own goals and dreams. Seeing examples of successful Black individuals from various fields, such as science, arts, politics and sports, can motivate students to strive for their own excellence.

Community engagement: Black Excellence Day can serve as a platform for community engagement and collaboration. It provides an opportunity for schools to partner with local organizations, leaders, and activists within the Black community to organize events, workshops, and discussions that promote dialogue and understanding.

Overall, celebrating Black Excellence Day within HRCE schools is important for fostering a culture of inclusivity, empowerment, and appreciation for the diverse talents and contributions of Black individuals.

4. **Access Awareness Week.** Access Awareness Week takes place annually during the last week of May to raise awareness about disability, access and inclusion. This year, Access Awareness Week runs from May 25-31, and the provincial theme is "Our Voices, Our Votes: Disability Rights in Action."

The provincial Accessibility Directorate is providing all HRCE schools with posters to help bring attention to the importance of removing barriers for people with disabilities. The posters are being mailed directly to schools from the directorate and should arrive in the coming days.

For 38 years, Nova Scotians have organized community events, flag raising, forums, and concerts during Access Awareness Week to bring attention to the importance of removing barriers for people with disabilities. More information can be found [here](#).
