Hello West Bedford High Families,

The end of the year is approaching quickly please make sure your children finish up strong. See information and important dates below for the upcoming weeks.

1. **Grade 11 Pre-Cal summer bootcamp (for students not taking math 11).** With the new pathways in high school math, students are not required to take Math 11 prior to taking Pre-Cal 11 in high school. Due to this, we are offering a 2 day summer Math Boot camp lead by Mr. Malick, Pre-Cal 11 math teacher next year, to ensure our students are ready. We did this last year and it was a huge success. Forms were handed out last week to interested students. The dates are August 25 and 26<sup>th</sup> at West Bedford High. All other details can be found on the form sent home.
2. **Road Construction.** There will be some road construction happening around West Bedford School/High school on June 19 and 20<sup>th</sup>. All local traffic will be able to access the school and construction personnel will be on site to direct traffic. This could cause some delays, but will not know to what extend until that first day. We will work with the crew to ensure things stay on time as best as possible and we will adjust as needed for exam times.
3. **Feed NS Fundraiser Brochure.** Please check out the awesome Wood furniture catalogue attached. All items have been made by Mr. Parker and his class and all proceeds go to Feed Nova Scotia. Google link for ordering in the attachment.
