### **Scholarships/Bursaries/awards.**

We are still looking for any local businesses or individuals who would like to set up a scholarship/bursary/award for our current graduating class and future graduating classes. These can range anywhere from \$100 dollars and up to be given out annually. We can help set up the criteria for the award. We have only received a couple so far, largest was \$500.

Please reach out to Principal, Sean MacDonald, at [macdonalds@hrce.ca](mailto:macdonalds@hrce.ca) if you are interested or know a business that would like to set one up. Let's create some exciting local awards for our students to strive for and help support them on the journey after high school.
