Approval of Minutes from Dec. 16- approved

Last meeting follow up:

-Select dates for the rest of the year: April 16 and May 28

New Business:

-grad photos retakes ongoing. Awaiting reschedule date from Lifetouch. This will be shared in announcements and in Sunday evening email update to the community.

-Pedestrian/parking lot safety: getting better but some problems still exist. Suggestion to have signage posted but it's the elementary property; will ask them about it Provide a map/diagram to parents showing the proper routes. We have a good drone photo that can be used for this provided by our liaison officer.

Have done by September if not before.

- Video announcements may be starting again but just focused on announcements

-TVs could be better used to communicate upcoming events

-Bulletin board in progress for the main hall outside student services to communicate upcoming events

-There has been an indigenous support worker hired for next year

-Vending machines are a possibility for next year

Standing items

-Innovation grant - no info on deadlines yet for this year, but there was talk about potentially using the courtyard space to create a sort of outdoor classroom with an indigenous focus. Incorporate plants, color scheme, shaded areas, etc.

-Wolfpack days - discussion around moving the dates; admin will debrief with the elementary to see their thoughts on this; we need to publicize it more to the high school side.

Principal's Report - reviewed; when grad photos came up, Deborah suggested more input from parents on the recording of address, etc

Student's Report - bathroom cleanliness has not improved. It was asked if cafeteria could provide more options and no that's not an option

Meeting ended - 7:12 pm

Next Meeting - April 16
